money has more influence over the mind
of man than knowledge." The question
was closely and ably debated. The demoney has more influence over the mind of man than knowledge." The question

> DEAR CAUCASIAN: The roads are so muddy that it is almost impossible to get to town with news or anything else, but as there is always some few items, we will Dr. Wm. C. West, who was poisoned

after the interests of the Caucasian. He is Mr. James Chancellor sold his farm lungs.

Mr. James Chancellor sold his farm lungs.

Well, but has grown somewhat baid since for a fair price, with the intention of gove last saw him, but that makes no difference with him. Some of the ladies thought

We have another physician who takes his place in residence and occupation. The Judge Clark, of Kansas, has been in the neighborhood for several days, with the same doctor that has had the houses burnview to purchase real estate. He expresed almost from under (or over) him twice,

AULLVILLE ITEMS

The man who is too poor to take the Fines, smokes ten cent cigars and keeps t lot of ''yallar dogs.'' No wonder. We learn that Mr. Jas. Hogan has about recovered from his late attack of

there has been a great deal of interest unifested this week over a new patent, which our ingenious fellow citizen, Major M. F. Zwicky, has just gotten up. It is a combination bureau, wastrobe, washstand, chicken coop, wheelbarrow, dumporart and dry-goods bax. It is now on exhibition at the carpenter-shop of H. L. Shaw on Walnut street. hing, and settled it with their fists. They did it well, and at the close of the fight one of them had a scar over his lip which looked as though a mule had kicked him.

t was a bad day for lawyers at that.

During the severe cold of Tuesday night an old wagon drawn by two sorry looking old horses drove up to the City Hotel, and the occupants, a woman and a boy about 13, wished to stay over night. They were out on a begging expedition, and it was afterward found that she was the wife of Mercer, who is now in jail for the killing of Clark and Dunn, near Lexington, last fall. If they are objects of charity, there is a place, provided at public expense, for them and they should go there and be taken care of.

Mr. Sparks has moved into his house in as much as possible. Better to patronize our shoe merchants liberally, and let the loctors trust to providence for the discov-Roads rough and but little travel; though Tax-payers, generally, are interested in the success of the Ferguson bill, or some one of the substitutes proposing about the

pense, for them and they should go there and be taken care of.

Mr. Sparks has moved into his house in the McCiure Addition, H. S. Chadwick has moved into the house vacated by Mr. Sparks. J. L. Welshams has moved into the house of Judge Ambrose on 3d street.

E. A. Elliot will move into his house vacated by Mr. Chadwick, on Monday, and lease H. Reed will take possession of the City Hotel. Cold weather for such work. The markets have been quiet with no material change to not except in wheat, which is a shade lower. The had reads of this week has prevented very much grain from coming in. One lot of 300 bushels, in warehouse, soid at \$1.25. It was a little below No. 2. We quote No. 2, at \$1.30, No. 3, at \$1.10. Corn 306/33 cts Hogs are firm at \$4.25 for good. Shipments for the week were 2 cars of wheat, 2 cars of corn, and 2 cars of cattle.

The red-hot debating club met yester-
